Just the Facts

March 17, 2017

Volume 8, Issue 11

The Command Staff spend time this week with some local business partners to discuss and train on workplace violence. Last week, Captain’s Rethemeier and Mundale toured the Wenger Corporation and learned about their emergency action plans. On Monday, the captains met with the Owatonna Area Chamber of Commerce and Tourism staff and on Tuesday, Chief Hiller provided five one-hour presentations to nearly 500 Wenger employees for their workplace violence training program.

Workplace Violence

The driver, identified as Jeffrey Hokanson, age 45 of Brooklyn Center, told the officers he panicked because he had a revoked driver’s license. Hokanson was brought to jail and charged with speeding, driving after suspension and fleeing in a motor vehicle. We are very thankful that no damage to property or injuries were reported.

Covered in Soot—On Monday morning, officers responded to a physical domestic at 305 Hazeltine Avenue. The homeowner returned home after being notified that his daughter, Katherine Davis, started the basement carpet on fire. The homeowner confronted his daughter at the home and an argument ensued, which led Davis to begin hitting and kicking her father. A witness in the home confirmed the altercation. A detective on scene observed drug paraphernalia and obtained consent from the homeowner to conduct further searching in the common areas of the home. The detective found a pipe and 13 grams of a crystalized substance – both testing positive for meth. A search warrant was drafted for the bedroom where Davis stayed. A meth pipe and over $500 cash was seized. Davis, age 32, was charged with two counts of domestic assault and 3rd degree possession of meth (10 grams or more).

More Drugs—A formal complaint was issued this week against Anjanette Celic Wells, 43 and Mariah Ann Sleeuwenhoek, 20, both of Owatonna, following a drug task force search warrant on March 1st at 122 East Pearl Street. Three children, between the ages of 9 and 10 years old, two young adults—including Sleeuwenhoek, and Wells were in the home. The search uncovered methamphetamine in a bedroom where the 10 year old was at. A pipe used to smoke meth, a digital scale and 2 grams of meth were found in Sleeuwenhoek’s bedroom and a pipe with meth residue was found in her purse. Wells was in possession of a meth pipe and a ½ gram of meth in the dining room hutch. Wells and Sleeuwenhoek were both charged with a 5th degree possession of a controlled substance and storing meth in the presence of a child, both felonies.

Not so Fast!—Just after bar close on Saturday night, an officer observed a vehicle traveling 52 mph inside the 30 zone on Hoffman Drive toward the downtown area. The driver pulled over to the officer’s vehicle lights and siren at the intersection of Oak and Vine Street. As the officer approached the vehicle, the driver took off, so the chase was on. The driver fled down Vine Street toward Cedar Avenue and was faced by another OPD car with flashing lights blocking the suspect’s driving lane. The suspect used the parking lane to navigate around the second officer’s vehicle. The driver stopped at Cedar Avenue and was cut-off before going any further.
