- **Average Events/Day:** 116.71
- **Average Events/Hour:** 4.86
- **Average Traffic Stops:** .95 per hour
- **DWI for the week:** 3

**And then there were three—**

The Owatonna Police Department, in conjunction with the South Central Drug Investigation Unit’s recent investigation, is still actively seeking the following people:

- **Shawn Maurice Williams**
- **Joshua Douglas Watkins**
- **Joseph Maurice Davis**

These subjects are all wanted in connection with drug related charges and should be considered armed and dangerous. If you know the whereabouts of any of these individuals or come into contact with them; do not take action yourself, rather, immediately contact the Law Enforcement Center. You may be eligible for a reward for information leading to their arrest.

**Overindulgence Leads to Arrest—**

On March 21st at approximately 11:56 p.m., Owatonna officers were called to the area of the American Legion Club for the complaint of an male individual who had just broken the window out of a business. As officers arrived on scene, a witness pointed them in the direction of the suspect who was fleeing the area on foot. After a short foot pursuit, officers located and apprehended the suspect in the 100 block of West Main Street. When the suspect was apprehended, officers observed his right hand was covered in blood. Further investigation revealed the suspect was attempting to pick a fight outside of the Just 1 More Bar. Fellow patrons tried to pull him away and the suspect started punching and elbowing windows while he was walking on Bridge Street. The suspect broke out the window at Travel Headquarters, 143 West Bridge Street. Further investigation also revealed the suspect was quite intoxicated; a preliminary breath test indicated his breath alcohol concentration was almost 2 1/2 times the legal limit. Drake D. Schroeder, age 18, was arrested and transported to the Steele County Detention Center. He was formally charged in District Court with 3rd Degree Damage to Property—a gross misdemeanor and Underage Consumption of Alcohol.

**Re-Purposing Update—**

It has been a few weeks since our last update so this weeks edition will contain updated photographs and a work status report.

The two pictures below are the two updated ADA compliant restrooms. We anticipate them to be finished next week and we’re exited to have running water again!

The two pictures below are the evidence transfer room and the long-term storage room. These two should also be operable shortly as we’re only waiting on trim work and electronic door locks.

The last picture is the Patrol Division. This area needs a little more work, waiting on paint, the ceiling grid, carpeting and electrical, but the end product is within our sights!

**A New Beginning—**

On March 24th, we’ll say goodbye to a good friend as Officer Mark Chambers will be working his last shift with the Owatonna Police Department. Mark will be turning in his blue uniform for a brown one as he goes off to work for the Olmsted County Sheriff’s Department. Though Mark only worked here for a short time, his work and service to the citizens of Owatonna did not go unnoticed and he will be missed. We wish you the best of luck with the next chapter in your law enforcement career.
