Prom Safety—
The Owatonna High School Prom is this weekend and in an effort to help ensure everyone has a safe and enjoyable prom weekend, the Owatonna High School, the Owatonna Police Department and Toward Zero Deaths (TZD) have teamed up to bring a crash car to the OHS as a reminder of the tragedies that can come along with impaired driving—the car is on display on the west lawn of the OHS. Further, on Thursday, Captain Jeff Mundale, Sergeant Jason Petterson, Minnesota State Patrol Sergeant Troy Christianson and SE Minnesota TZD Coordinator Jessica Schleck attended OHS during student lunches to educate students on the dangers of impaired and drugged driving using divided attention tests with impaired driving googles. A student peer group called Students Helping Others Choose (SHOC) was also there to encourage classmates to make wise decisions when it comes to driving and celebrating Prom. On Friday, Captain Mundale returned to the OHS to give a presentation to students on distracted and impaired driving and making the right choices before getting behind the wheel.
